about us

For more than 30 years, we have worked to improve the quality of life for people in Northern New Jersey by providing transportation solutions.

In addition to our senior transportation program, we manage the state's largest carpool, vanpool, and shuttle services for the corporate community, county governments and area colleges.

Our shuttles are equipped with GPS, Mobile Data Terminals and in-vehicle cameras to ensure safe, convenient travel every day of the year. We provide more than half-a-million shuttle rides a year, saving more than 10,000 gallons of gasoline a day, while ensuring convenient and reliable mobility throughout the state's most densely populated counties.

We also offer bicycle and pedestrian services, and transportation services for riders with special needs. In 2013, as a result of our services, we were named the Urban Transportation System of the Year by the Community Transportation Association of America.

Make a Difference in Your Community

Reduce Cost of Your Personal Auto Insurance

Become a volunteer driver at EZ Ride today. You donate the time, we provide the auto and the gas, so there's no cost to you and plenty of benefits!

For as little as four hours a week, you can make a big difference in people's lives. The effort isn't much: A welcome smile and a quick ride to a doctor's office or grocery store is what is typically assigned to our volunteers. You'll be driving seniors who can no longer drive, and community neighbors without cars – people who are grateful for your service and value the personal connection to you.

In exchange for a few hours a week, EZ Ride offers you:

- An easy avenue to fulfill your desire in making a difference in your community
- Free defensive driving course which, upon completion, may lower the cost of your personal auto insurance
- A free ride for every four hours of volunteer service which can be donated or used for your own purpose. Conditions apply.

It's Easy to Become Part of the EZ Ride Volunteer Team
