WHEREAS, the Borough Council of the Borough of Sea Bright believes that it is in the best interest of the Borough to enter into a Shared Services Agreement with the Two Rivers Water Reclamation Authority (hereinafter the "Authority") to oversee and administer a contract to have the Borough's sanitary sewer collection system internally inspected; and

WHEREAS, the Authority, through the usual course of public contracting, awarded a contract to RedZone Robotics, Inc. ("RedZone") to conduct an Internal Inspection of its Sanitary Gravity Sewer Collection System for the purpose of identifying problem areas within the system; and

WHEREAS, in light of the debris that Super Storm Sandy surely deposited into the Borough's Gravity Sewer Collection System, which empties into the Authority's System, the Authority's bid specifications included an Alternate "A" for assessment of the gravity sewer lines located in the Borough of Sea Bright; and

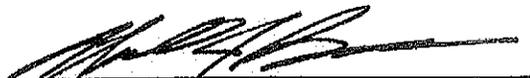

WHEREAS, RedZone's bid amount for performing the assessment of the gravity sewer lines located in the Borough of Sea Bright is Seventy Five Thousand, Six Hundred and Five (\$75,605.00) dollars; and

WHEREAS, the Authority is willing to administer the Alternate "A" work, to be done by RedZone in the Borough of Sea Bright, so long as the Borough is willing to pay the contract price for the Alternate "A" portion, without markup by the Authority but less any applicable change orders; and
