

RESOLUTION NO. 174-2015
Rutgers Institute of Marine and Coastal Sciences
Placement of Oceanographic Equipment in
the Borough Of Sea Bright

Councilmember Leckstein introduced and offered for adoption the following Resolution; seconded by Councilmember Lamia:

WHEREAS, the Mayor and Borough Council approved Resolution No: 141-2009 on June 2, 2009 approving Rutgers Institute of Marine and Coastal Sciences May 27, 2009 proposal prepared by Dr. Hugh Roarty, Director of Operations Center for the permanent placement of oceanographic equipment, known as CODAR SeaSonde System, which measures ocean currents and wave heights to be located at the southeast corner of the recycling center; and

WHEREAS, the above mentioned oceanographic equipment was destroyed in Superstorm Sandy on October 29, 2012; and

WHEREAS, Dr. Hugh Roarty submitted a proposal at the July 15, 2015 Workshop meeting to place a new CODAR SeaSonde System at a mutually agreed upon location in the Borough; and

WHEREAS, Council agreed a suitable location for the equipment is underneath the stairs at the entrance to Anchorage Beach; the installation, electrical service and maintenance will be the sole responsibility of the aforementioned institution.

NOW, THEREFORE, BE IT RESOLVED that the Mayor and Council of the Borough of Sea Bright, County of Monmouth, hereby support this research project and grant permission to Rutgers Institute of Marine and Coastal Sciences for the installation and maintenance of the CODAR SeaSonde System at the site mentioned above.

BE IT FURTHER RESOLVED that a certified copy of this resolution be forwarded to the following:

1. Dr. Hugh Roarty, Rutgers
2. Police Chief
3. Department of Public Works
