BRIAN P. KELLY
MAYOR

Dear Sea Bright Residents and Business Owners,

In accordance with guidance from the World Health Organization and the U.S. CDC, the Borough of Sea Bright has taken the following actions to prevent the spread of the COVID-19 virus in our community:

- **Posted CDC link on Borough Website on 3/9: <http://seabrightnj.org/sbnj/>**
- **Closed the Library on 3/13**
- **Posted pertinent information on the Borough Digital Signboard on 3/13**
- **Closed Borough Hall on 3/16**
- **Governor Murphy issued Executive Order 104 on 3/16 giving further instructions and guidance on education, business, and travel within the state of New Jersey, which we are adopting. This is available on the NJ government webpage and will also be posted to our borough website along with a letter from Sea Bright OEM and the Mayor on 3/17.**

We will continue to assess the risks as they evolve and provide updates. This continues to be an unprecedented situation, and our Borough teams are working diligently to provide as much assistance and clarity as possible. Once again, thank you for your continued dedication to the safety of the Sea Bright community.

Sincerely,

BRIAN P. KELLY
Mayor
