Hello Sea Brighters,

March 28, 2020

A Message from Mayor Brian Kelly Regarding Beach Access

The safety of our residents, businesses, and visitors is our top priority. We continue to take action to protect everyone from the threat of the Coronavirus. Thank you to everyone for cooperating during this unprecedented time in Sea Bright.

We have been evaluating the evolving situation daily, including our public access to the beach, seawall, walkways, and municipal parking. While we continue to comply with all federal and state guidelines, including practicing social distancing, we encourage people to go outside and enjoy our public space in a safe way.

As of today, we prefer to keep our beaches open. I will continue to work with our Police, OEM and Council to continue to monitor and adjust the access to our public spaces as needed. In addition, we are actively partnering with our neighboring beach towns and have established proactive contingency plans should the situation change.

Please feel free to reach out to me with any questions.

Thank You,

BRIAN KELLY
Mayor
