**PURPOSE**

The purpose of this policy is to establish guidelines for drug testing of Sea Bright Police personnel that are in full compliance with New Jersey Attorney General’s Law Enforcement Drug Testing Policy.

**POLICY**

It is the policy of the Sea Bright Police Department to conduct drug testing of sworn law enforcement officers, law enforcement officer trainees, and applicants for law enforcement officer employment in order to maintain professional standards of performance and to help ensure the trust of the community in those who enforce the laws.

**PROCEDURES**

The procedure for Law Enforcement Drug Testing will be outlined in the most recent update of the Attorney General Guideline.

Current Revision Date: February 2023.
