FOR DISCUSSION:

1. Mayor Long proposed four 2015 Town Hall Meeting dates in addition to the three public meetings already held each month. The Dates will be reviewed by Council and will be posted accordingly when confirmed.

2. Beautification Master Plan: Councilman Kelly reviewed the process the Beautification Committee went through working with the landscape architect to come up with a Beautification Master Plan. Councilman Kelly reviewed the estimated costs associated with the plan, funding possibilities and our strategy to implement the plan going forward. A copy of the Plan will be available for public viewing at Borough Hall.

Mayor Long received two letters from The Business of Sea Bright (SBS) and read them for those present. The first letter commended and thanked Chief of Police Sorrentino for all that he does for the business community. The second letter expressed their concern and opposition to pay parking.

<u>REMARKS FROM THE AUDIENCE</u> (limited to 3 minutes)

The Public Comment portion of this meeting allows members of the audience to bring their concerns or comments to the Mayor and Council's attention. Pursuant to Borough Ordinance 3-2011, a member of the public who wishes to speak shall give his/her name and address for the record and may have up to three minutes to state his/her comments to the Mayor and Council as a Body. If additional time or information is requested, an appointment can be made with the Administrator's office during regular business hours.

Vince LaPore, Long Branch, commented on pay parking and the striping plan status which he supports and urges the Council to do the same. Mr. LaPore also asked about a citizen committee getting involved in the budget process. Mayor Long explained that the budget process will be presented to the public but Council did not endorse forming a citizen committee. Mr. LaPore suggested the Borough look in to shared services with the County for Engineering....and to better utilize of the splash pad for events.

Heather Bedenko, 400 Ocean Avenue, said that we shouldn't do anything to hurt the businesses at this time and if they are against the pay parking, we should support them.
