## **Pay to Park Plan - Borough of Sea Bright**

### **Overview:**

Sea Bright has been considering a pay to park system for its Municipal lots for several years. Many Monmouth County beach communities utilize this system in various forms. Generating additional town revenue from user fees is becoming more commonplace. Utilizing pay to park in various forms also helps create turnover to aid businesses from all day parking places. Sea Bright hopes to utilize our existing Municipal lots in a more efficient manner, raise revenue, help our businesses and residents as well as provide greater access to our beaches.

### **Plan Components:**

1. Utilize municipality controlled parking areas for a pay to park system.
2. The season will be from the Friday before Memorial Day through Labor Day.
3. Hours of operation will be from 9am-9pm.
4. During storm emergencies pay parking can be suspended by the Mayor, Borough Council, and/or Chief of Police.
5. Payment can be made at a kiosk or by a smart phone application. Kiosks will take cash or credit cards.
6. The cost will be \$1.00 per hour.
7. Pay to Park violations will be at the same rate that currently exists for business parking violations.
8. Ocean Avenue apartment residents will be issued a sticker for all vehicles registered to that address to be affixed to the vehicle.
9. Special officers will be trained in parking enforcement, to also collect revenue and make minor repairs to the kiosks and will be dedicated to two hour parking enforcement.  
(rev. Res No. 116-2016 on 7/5/2016)
10. Numbering system will be painted on asphalt surfaces and gravel lots will have wheel stops with numbers.
