PRESENTATION AND PUBLIC HEARING:
SUBMISSION OF APPLICATION TO THE MONMOUTH COUNTY OFFICE OF COMMUNITY DEVELOPMENT FOR A COMMUNITY DEVELOPMENT BLOCK GRANT ADA BATHROOM IMPROVEMENTS AT COMMUNITY CENTER

Borough Administrator, Rachel Giolitto provided a presentation on our CDBG application provided by Borough Engineer Greg Blash for the CDBG ADA bathroom improvements at the Community Center. The project includes the construction of an ADA compliant handicap bathroom which will be designed and equipped to meet the specific needs of individuals with disabilities, including the elderly, as well as provide access to all members of our community. The goal is to create an inclusive environment that can accommodate individuals with disabilities. Currently, the Community Center lacks adequate sanitary facilities for public use.

Councilmember Bieber offered a motion to open the public hearing on the Community Development Block Grant Application; seconded by Councilmember Leckstein:

BE IT ORDAINED by the Borough Council of the Borough of Sea Bright in the County of Monmouth, State of New Jersey, as follows:

Section I: Chapter 130, "Land Use", of the Code of the Borough of Sea Bright, Article XVI, "Stormwater Control Regulations," be and the same is hereby amended and supplemented to read, in full, as follows:

“Article XVI, Stormwater control regulations.**§130-91 Scope and Purpose.****A. Policy Statement**

Flood control, groundwater recharge, and pollutant reduction shall be achieved through the use of stormwater management measures, including green infrastructure Best Management Practices (GI BMPs) and nonstructural stormwater management strategies. GI BMPs should be utilized to meet the goal of maintaining natural hydrology to reduce stormwater runoff volume, reduce erosion, encourage infiltration and groundwater recharge, and reduce pollution. GI BMPs should be developed based upon physical site conditions and the origin, nature and the anticipated quantity, or amount, of potential pollutants. Multiple stormwater management BMPs may be necessary to achieve the established performance standards for green infrastructure, water quality, quantity, and groundwater recharge.

B. Purpose

The purpose of this ordinance is to establish minimum stormwater management requirements and controls for “major development,” as defined below in Section II.

C. Applicability

1. This ordinance shall be applicable to the following major developments:

- i. Non-residential major developments and redevelopment projects; and
- ii. Aspects of residential major developments and redevelopment projects that are not pre-empted by the Residential Site Improvement Standards at N.J.A.C. 5:21 et seq.

2. This ordinance shall also be applicable to all major developments undertaken by Borough of Sea Bright.

3. Applicability of this ordinance to major developments shall comply with last amended N.J.A.C. 7:8-1.6, incorporated herein by reference.

D. Compatibility with Other Permit and Ordinance Requirements

Development approvals issued pursuant to this ordinance are to be considered an integral part of development approvals and do not relieve the applicant of the responsibility to secure required permits or approvals for activities regulated by any other applicable code, rule, act, or ordinance. In their interpretation and application, the provisions of this ordinance shall be held to be the minimum requirements for the promotion of the public health, safety, and general welfare.

This ordinance is not intended to interfere with, abrogate, or annul any other ordinances, rule or regulation, statute, or other provision of law except that, where any provision of this ordinance imposes restrictions different from those imposed by any other ordinance, rule or regulation, or other provision of law, the more restrictive provisions or higher standards shall control.

Section II. Definitions:

For the purpose of this ordinance, the following terms, phrases, words and their derivations shall have the meanings stated herein unless their use in the text of this ordinance clearly demonstrates a different meaning. When not inconsistent with the context, words used in the present tense include the future, words used in the plural number include the singular number, and words used in the singular number include the plural number. The word "shall" is always mandatory and not merely directory. The definitions used in this ordinance shall be the same as the last amended Stormwater Management Rules at N.J.A.C. 7:8-1.2, incorporated herein by reference.

Section III. Design and Performance Standards for Stormwater Management**Measures:**

This section establishes design and performance standards for stormwater management measures for major development intended to minimize the adverse impact of stormwater runoff on water quality and water quantity and loss of groundwater recharge in receiving water bodies. Design and performance standards for stormwater management measures shall comply with last amended N.J.A.C. 7:8-5, incorporated herein by reference.

Section IV. Solids and Floatable Materials Control Standards:

A. Site design features identified under Section III above, or alternative designs in accordance with Section III above, to prevent discharge of trash and debris from drainage systems shall comply with the following standard to control passage of solid and floatable materials through storm drain inlets. For purposes of this paragraph, "solid and floatable materials" means sediment, debris, trash, and other floating, suspended, or settleable solids. For exemptions to this standard see Section IV.A.2 below.

1. Design engineers shall use one of the following grates whenever they use a grate in pavement or another ground surface to collect stormwater from that surface into a storm drain or surface water body under that grate:
 - i. The New Jersey Department of Transportation (NJDOT) bicycle safe grate, which is described in Chapter 2.4 of the NJDOT Bicycle Compatible Roadways and Bikeways Planning and Design Guidelines; or
 - ii. A different grate, if each individual clear space in that grate has an area of no more than seven (7.0) square inches, or is no greater than 0.5 inches across the smallest dimension. Note that the Residential Site Improvement Standards at N.J.A.C. 5:21 include requirements for bicycle safe grates.

Examples of grates subject to this standard include grates in grate inlets, the grate portion (non-curb-opening portion) of combination inlets, grates on storm sewer manholes, ditch grates, trench grates, and grates of spacer bars in slotted drains. Examples of ground surfaces include surfaces of roads (including bridges), driveways, parking areas, bikeways, plazas, sidewalks, lawns, fields, open channels, and stormwater system floors used to collect stormwater from the surface into a storm drain or surface water body.

- iii. For curb-opening inlets, including curb-opening inlets in combination inlets, the clear space in that curb opening, or each individual clear space if the curb opening has two or more clear spaces, shall have an area of no more than seven (7.0) square inches, or be no greater than two (2.0) inches across the smallest dimension.
2. The standard in IV.A.1. above does not apply:
 - i. Where each individual clear space in the curb opening in existing curb-opening inlet does not have an area of more than nine (9.0) square inches;
 - ii. Where the municipality agrees that the standards would cause inadequate hydraulic performance that could not practicably be overcome by using additional or larger storm drain inlets;
 - iii. Where flows from the water quality design storm as specified in the last amended Stormwater Management rules at N.J.A.C. 7:8 et seq. are conveyed through any device (e.g., end of pipe netting facility, manufactured treatment device, or a catch basin hood) that is designed, at a minimum, to prevent delivery of all solid and floatable materials that could not pass through one of the following:

- a. A rectangular space four and five-eighths (4.625) inches long and one and one-half (1.5) inches wide (this option does not apply for outfall netting facilities); or
- b. A bar screen having a bar spacing of 0.5 inches.

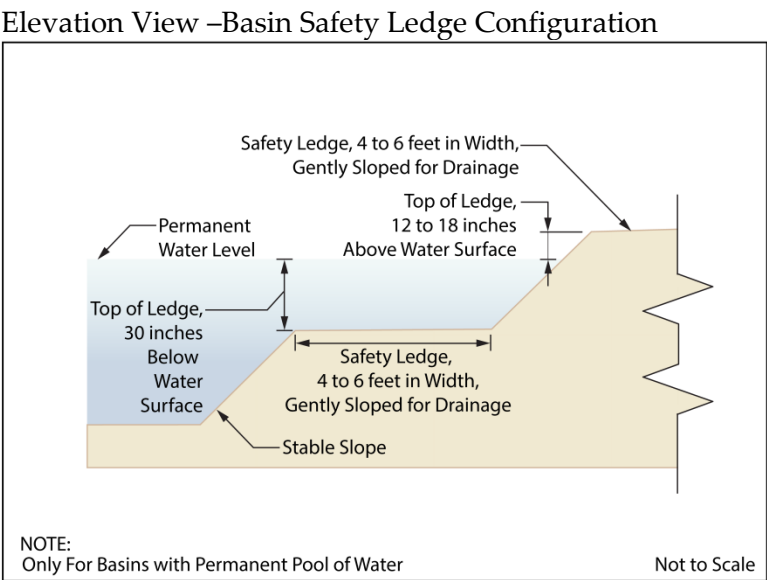

Note that these exemptions do not authorize any infringement of requirements in the Residential Site Improvement Standards for bicycle safe grates in new residential development (N.J.A.C. 5:21-4.18(b)2 and 7.4(b)1).

- iv. Where flows are conveyed through a trash rack that has parallel bars with one-inch (1 inch) spacing between the bars, to the elevation of the Water Quality Design Storm as specified in N.J.A.C. 7:8; or
- v. Where the New Jersey Department of Environmental Protection determines, pursuant to the New Jersey Register of Historic Places Rules at N.J.A.C. 7:4-7.2(c), that action to meet this standard is an undertaking that constitutes an encroachment or will damage or destroy the New Jersey Register listed historic property.

Section V. Safety Standards for Stormwater Management Basins:

A. This section sets forth requirements to protect public safety through the proper design and operation of stormwater management basins. This section applies to any new stormwater management basin. Safety standards for stormwater management measures shall comply with last amended N.J.A.C. 7:8-6, incorporated herein by reference.

Section VI. Requirements for a Site Development Stormwater Plan:

A. Submission of Site Development Stormwater Plan

1. Whenever an applicant seeks municipal approval of a development subject to this ordinance, the applicant shall submit all of the required components of the Checklist for the Site Development Stormwater Plan at Section VI.C below as part of the submission of the application for approval.
2. The applicant shall demonstrate that the project meets the standards set forth in this ordinance.
3. The applicant shall submit three (3) copies of the materials listed in the checklist for site development stormwater plans in accordance with Section VI.C of this ordinance.

B. Site Development Stormwater Plan Approval

The applicant's Site Development project shall be reviewed as a part of the review process by the municipal board or official from which municipal approval is sought. That municipal board or official shall consult the municipality's review engineer to determine if all of the checklist requirements have been satisfied and to determine if the project meets the standards set forth in this ordinance.

C. Submission of Site Development Stormwater Plan

The following information shall be required:

1. Topographic Base Map

The reviewing engineer may require upstream tributary drainage system information as necessary. It is recommended that the topographic base map of the site be submitted which extends a minimum of 200 feet beyond the limits of the proposed development, at a scale of 1"=200' or greater, showing 2-foot contour intervals. The map as appropriate may indicate the following: existing surface water drainage, shorelines, steep slopes, soils, erodible soils, perennial or intermittent streams that drain into or upstream of the Category One waters, wetlands and flood plains along with their appropriate buffer strips, marshlands and other wetlands, pervious or vegetative surfaces, existing man-made structures, roads, bearing and distances of property lines, and significant natural and manmade features not otherwise shown.

2. Environmental Site Analysis

A written and graphic description of the natural and man-made features of the site and its surroundings should be submitted. This description should include a discussion of soil conditions, slopes, wetlands, waterways and vegetation on the site. Particular attention should be given to unique, unusual, or environmentally sensitive features and to those that provide particular opportunities or constraints for development.

3. Project Description and Site Plans

A map (or maps) at the scale of the topographical base map indicating the location of existing and proposed buildings roads, parking areas, utilities, structural facilities for stormwater management and sediment control, and other permanent structures. The map(s) shall also clearly show areas where alterations will occur in the natural terrain and cover, including lawns and other landscaping, and seasonal high groundwater elevations. A written description of the site plan and justification for proposed changes in natural conditions shall also be provided.

4. Land Use Planning and Source Control Plan

This plan shall provide a demonstration of how the goals and standards of Section III is being met. The focus of this plan shall be to describe how the site is being developed to meet the objective of controlling groundwater recharge, stormwater quality and stormwater quantity problems at the source by land management and source controls whenever possible.

5. Stormwater Management Facilities Map

The following information, illustrated on a map of the same scale as the topographic base map, shall be included:

- i. Total area to be disturbed, paved or built upon, proposed surface contours, land area to be occupied by the stormwater management facilities and the type

of vegetation thereon, and details of the proposed plan to control and dispose of stormwater.

- ii. Details of all stormwater management facility designs, during and after construction, including discharge provisions, discharge capacity for each outlet at different levels of detention and emergency spillway provisions with maximum discharge capacity of each spillway.

6. Calculations

- i. Comprehensive hydrologic and hydraulic design calculations for the pre-development and post-development conditions for the design storms specified in Section III of this ordinance.
- ii. When the proposed stormwater management control measures depend on the hydrologic properties of soils or require certain separation from the seasonal high water table, then a soils report shall be submitted. The soils report shall be based on onsite boring logs or soil pit profiles. The number and location of required soil borings or soil pits shall be determined based on what is needed to determine the suitability and distribution of soils present at the location of the control measure.

7. Maintenance and Repair Plan

The design and planning of the stormwater management facility shall meet the maintenance requirements of Section VII.

8. Waiver from Submission Requirements

The municipal official or board reviewing an application under this ordinance may, in consultation with the municipality's review engineer, waive submission of any of the requirements in Section VI.C.1 through VI.C.6 of this ordinance when it can be demonstrated that the information requested is impossible to obtain or it would create a hardship on the applicant to obtain and its absence will not materially affect the review process.

Section VII. Maintenance and Repair:

A. Applicability

Projects subject to review as in Section I.C of this ordinance shall comply with the requirements of Section VII.B and VII.C.

B. General Maintenance

1. Maintenance for stormwater management measures shall comply with last amended N.J.A.C. 7:8-5.8, incorporated herein by reference.
2. In the event that the stormwater management facility becomes a danger to public safety or public health, or if it is in need of maintenance or repair, the municipality shall so notify the responsible person in writing. Upon receipt of that notice, the responsible person shall have fourteen (14) days to effect maintenance and repair of the facility in a manner that is approved by the municipal engineer or his designee. The municipality, in its discretion, may extend the time allowed for effecting maintenance and repair for good cause. If the responsible person fails or refuses to perform such maintenance and repair, the municipality or County may immediately proceed to do so and shall bill the cost thereof to the responsible person. Nonpayment of such bill may result in a lien on the property.

- C. Nothing in this subsection shall preclude the municipality in which the major development is located from requiring the posting of a performance or maintenance guarantee in accordance with N.J.S.A. 40:55D-53.

Section VIII. Penalties:

Any person(s) who erects, constructs, alters, repairs, converts, maintains, or uses any building, structure or land in violation of this ordinance shall be subject to a fine not to exceed \$1,000 per day for each day that the provisions of this article are violated. Each day that the provisions of this article are violated shall be deemed a separate offense. All violations of this article shall be prosecuted in the Municipal Court or any other tribunal with subject matter jurisdiction.

Section IX. Severability:

Each section, subsection, sentence, clause and phrase of this Ordinance is declared to be an independent section, subsection, sentence, clause and phrase, and the finding or holding of any such portion of this Ordinance to be unconstitutional, void, or ineffective for any cause, or reason, shall not affect any other portion of this Ordinance.

Section X. Effective Date:

This Ordinance shall take effect immediately upon its passage and publication according to law and upon filing with the Monmouth County Planning Board.

I HEREBY CERTIFY this to be a true and correct Ordinance of the Mayor and Borough Council of the Borough of Sea Bright, introduced on June 18, 2024 and will be further considered after a Public Hearing held on July 16, 2024 in the Municipal Building at 1097 Ocean Avenue at 7:00 p.m.

Introduction: Mayor Kelly to read the ordinance by title:

BOND ORDINANCE NO. 13-2024
BOND ORDINANCE PROVIDING AN APPROPRIATION OF \$260,000 FOR VARIOUS ROAD IMPROVEMENTS FOR AND BY THE BOROUGH OF SEA BRIGHT IN THE COUNTY OF MONMOUTH, NEW JERSEY AND, AUTHORIZING THE ISSUANCE OF \$50,500 BONDS OR NOTES OF THE BOROUGH FOR FINANCING PART OF THE APPROPRIATION.

Councilmember Leckstein offered a motion to introduce Ordinance No. 13-2024 for a public hearing to be held on August 20, 2024 and advertise according to law; seconded by Councilmember Catalano:

Yes Yes Yes Yes Yes Yes

BE IT ORDAINED, BY THE BOROUGH COUNCIL OF THE BOROUGH OF SEA BRIGHT, IN THE COUNTY OF MONMOUTH, NEW JERSEY (not less than two-thirds of all members thereof affirmatively concurring) AS FOLLOWS:

SECTION 1:

The improvements described in Section 3 of this bond ordinance (the “Improvements”) are hereby authorized to be undertaken by the Borough of Sea Bright, New Jersey (the “Borough”) as general improvements. For the said Improvement there is hereby appropriated the amount of \$260,000, such sum includes the sum of \$209,500 expected to be received as a grant from the New Jersey Department of Transportation 2024 Municipal Aid Program. No down payment is required by the Local Bond Law of the State of New Jersey, constituting Chapter 2 of Title 40A of the New Jersey Statutes, as amended and supplemented (the “Local Bond Law”) as the purpose authorized herein involve a project funded by a State grant from the New Jersey Department of Transportation as permitted under N.J.S.A. 40A:2-11c.

SECTION 2:

In order to finance the cost of the Improvements, negotiable bonds of the Borough are hereby authorized to be issued in the principal amount of \$50,500 pursuant to the provisions of the Local Bond Law (the “Bonds”). In anticipation of the issuance of the Bonds and to temporarily finance said improvements or purposes, negotiable bond anticipation notes of the Borough are hereby authorized to be issued in the principal amount not exceeding \$50,500 pursuant to the provisions of the Local Bond Law (the “Bond Anticipation Notes” or “Notes”).

SECTION 3:

(a) The Improvements authorized and the purpose for the financing of which said obligations are to be issued is for various road improvements, including but not limited to the reconstruction of Via Ripa Way and South Way, and including curbing, drainage and other ancillary improvements, including all work and materials necessary therefor and incidental thereto, and as shown on and in accordance with the plans and specifications on file with the Borough Clerk.

(b) The estimated maximum amount of Bonds or Notes to be issued for the purpose of financing a portion of the cost of the Improvements is \$50,500.

(c) The estimated cost of the Improvements is \$260,000 which amount represents the initial appropriation made by the Borough.

SECTION 4:

All Bond Anticipation Notes issued hereunder shall mature at such times as may be determined by the chief financial officer of the Borough (the "Chief Financial Officer"); provided that no Note shall mature later than one year from its date. The Notes shall bear interest at such rate or rates and be in such form as may be determined by the Chief Financial Officer. The Chief Financial Officer shall determine all matters in connection with Notes issued pursuant to this ordinance, and the signature of the Chief Financial Officer upon the Notes shall be conclusive evidence as to all such determinations. All Notes issued hereunder may be renewed from time to time subject to the provisions of Section 8(a) of the Local Bond Law. The Chief Financial Officer is hereby authorized to sell part or all of the Notes from time to time at public or private sale and to deliver them to the purchasers thereof upon receipt of payment of the purchase price plus accrued interest from their dates to the date of delivery thereof. The Chief Financial Officer is directed to report in writing to the Borough Council of the Borough at the meeting next succeeding the date when any sale or delivery of the Notes pursuant to this ordinance is made. Such report must include the amount, the description, the interest rate and the maturity schedule of the Notes sold, the price obtained and the name of the purchaser.

SECTION 5:

The capital budget of the Borough is hereby amended to conform with the provisions of this ordinance to the extent of any inconsistency herewith. The resolution in the form promulgated by the Local Finance Board showing full detail of the amended capital budget and capital program as approved by the Director, Division of Local Government Services, Department of Community Affairs, State of New Jersey is on file with the Borough Clerk and is available for public inspection.

SECTION 6:

The following additional matters are hereby determined, declared, recited and stated:

(a) The Improvements described in Section 3 of this bond ordinance are not current expenses, and are capital improvements or properties that the Borough may lawfully make or acquire as general improvements, and no part of the cost thereof has been or shall be specially assessed on property specially benefited thereby.

(b) The period of usefulness of the Improvements, within the limitations of the Local Bond Law, and according to the reasonable life thereof computed from the date of the Bonds authorized by this bond ordinance, is 20 years.

(c) The Supplemental Debt Statement required by the Local Bond Law has been duly prepared and filed in the office of the Borough Clerk and a complete executed duplicate thereof has been filed in the office of the Director, Division of Local Government Services, Department of Community Affairs, State of New Jersey. Such statement shows that the gross debt of the Borough, as defined in the Local Bond Law, is increased by the authorization of the Bonds and Notes provided in this bond ordinance by \$50,500 and the obligations authorized herein will be within all debt limitations prescribed by the Local Bond Law.

(d) An aggregate amount not exceeding \$80,000 for items of expense listed in and permitted under Section 20 of the Local Bond Law is included in the estimated cost of the Improvements, as indicated herein.

SECTION 7:

Any funds received from time to time by the Borough as contributions in aid of financing the purposes described in Section 3 of this Ordinance shall be used for financing said Improvements by application thereof either to direct payment of the cost of said Improvements or to the payment or reduction of the authorization of the obligations of the Borough authorized therefor by this Bond Ordinance. Any such funds received may, and all such funds so received which are not required for direct payment of the cost of said Improvements shall,

SECTION 8:

The full faith and credit of the Borough are hereby pledged to the punctual payment of the principal of and interest on the obligations authorized by this bond ordinance. The obligations shall be direct, unlimited obligations of the Borough, and the Borough shall be obligated to levy ad valorem taxes upon all the taxable property within the Borough for the payment of the obligations and the interest thereon without limitation of rate or amount.

SECTION 9:

The Chief Financial Officer of the Borough is hereby authorized to prepare and to update from time to time as necessary a financial disclosure document to be distributed in connection with the sale of obligations of the Borough and to execute such disclosure document on behalf of the Borough. The Chief Financial Officer is further authorized to enter into the appropriate undertaking to provide secondary market disclosure on behalf of the Borough pursuant to Rule 15c2-12 of the Securities and Exchange Commission (the “Rule”) for the benefit of holders and beneficial owners of obligations of the Borough and to amend such undertaking from time to time in connection with any change in law, or interpretation thereof, provided such undertaking is and continues to be, in the opinion of a nationally recognized bond counsel, consistent with the requirements of the Rule. In the event that the Borough fails to comply with its undertaking, the Borough shall not be liable for any monetary damages, and the remedy shall be limited to specific performance of the undertaking.

SECTION 10:

This Bond Ordinance constitutes a declaration of official intent under Treasury Regulation Section 1.150-2. The Borough reasonably expects to pay expenditures with respect to the Improvements prior to the date that Borough incurs debt obligations under this Bond Ordinance. The Borough reasonably expects to reimburse such expenditures with the proceeds of debt to be incurred by the Borough under this Bond Ordinance. The maximum principal amount of debt expected to be issued for payment of the costs of the Improvements is \$50,500.

SECTION 11:

This bond ordinance shall take effect 20 days after the first publication thereof after final adoption, as provided by the Local Bond Law.

I HEREBY CERTIFY this to be a true and correct Bond Ordinance No. 13-2024 of the Mayor and Borough Council of the Borough of Sea Bright, introduced on July 16, 2024, and will be further considered after a Public Hearing held on August 20, 2024, in the Mayor Dina Long Community Room, 1097 Ocean Avenue, at 7:00 pm.

MAYOR AND COUNCIL COMMENTS

Councilwoman Gorman stated that there will be concerts on the beach every Tuesday at 6:00pm through mid-August then it will switch to “movies-on-the-beach” through the end of the summer.

Councilman Bieber stated that we have had some recent retirements and thanked Administrator Giolitto for the smooth and successful transitions. On behalf of the education committee, he provided an update on school regionalization – the hope is to get it to a resident vote in all three towns to determine how we should move forward. We are considering to get a non-binding public question on the November ballot to get a preliminary assessment on the level of interest of potentially having a regionalized pre-K through 12 for the three towns.

Councilman Catalano commended Beach Manager Don Klein for doing a great job – it’s been busier than ever and beach revenue year to date is \$829,000 which is on track to be a record setting year. Councilman Catalano reported on the number of incidents year to date and reported that we should be receiving new garbage cans in a few weeks.

Councilman Lamia reported that the A/C unit in the rec center failed today – the seniors will be meeting in the pavilion tomorrow. Service has been scheduled for the A/C unit.

Councilman Keeler commended the Fire Department for their incredible accomplishment in receiving the ISO Class 2 certification.

EXECUTIVE SESSION

Councilmember Leckstein offered a motion to enter into Closed Session; seconded by Councilmember Catalano:

WHEREAS, Section 8 of the Open Public Meeting Act, N.J.S.A. 10:4-12 permits the exclusion of the public from a meeting in certain circumstances; and

WHEREAS, it is recommended by the Borough Attorney and Administrator that the Borough Council go into executive session to discuss matters set forth hereinafter which are permissible for discussion in executive session.

NOW, THEREFORE, BE IT RESOLVED, by the Borough Council of the Borough of Sea Bright, County of Monmouth, State of New Jersey, that they meet in closed session to discuss the issues as herein set forth:

1. Litigation

BE IT FURTHER RESOLVED, minutes will be kept and once the matter involving the confidentiality of the above no longer requires that confidentiality, then the minutes can be made public; and

IT FURTHER RESOLVED, that the Mayor and Council may come back into Regular Session to conduct additional business.
